Reading Newsletter

February/March 2023

Welcome to the 6th and 7th edition of the Reading Newsletter. A little later than planned hence why I have combined the two. In February, we were getting ready for Book Week, although now it's been and gone, we welcomed two lovely authors online; Jan Burchett and Sara Vogler, who have written books such as Sam Silver series and Beast Quest series along with over 200 more titles. They discussed their books and had a chat to the children about their work. The children had lots of amazing questions and were so well behaved on the day, they really enjoyed listening to their readings and they even did some fun activities too. The authors were very impressed. They even sent a few books for the library and signed them too!! This month we have been testing the children on their reading skills. Using the Accelerated Reading software to analyse how the children read and understand content set by the Scheme. This enables the children to move up or down book levels in the library depending on their abilities.

Accelerated Reading Prizes

Well done to everyone who has won Wishing Jar, Vending Machine or Star Prize in February and March. After January's triumphant success, we were super surprised to see so many winners again, we are so proud of you all, keep it going. Well done readers!!
