

September 2021 – Issue 1

Welcome to our fortnightly newsletter – it really is good to be back! It feels as if we have been back for such a long time already, but it has been so lovely to return to some sense of normality. We would like to extend an extra special warm welcome to our new Reception children, who have settled incredibly well, and they joined us for, the first time in our Celebration Assembly this week. They were so good, they introduced themselves and told everyone who their brothers or sister were and gave them all a wave!

Year 5 are really excited for PGL this week – it really has been a long time coming as the day they were supposed to go was the actual day we went into our first lockdown – the 23rd of March 2020, not a date that I think I will ever forget!

Fantastic Fred came to visit us this week. It is a travelling show specifically designed to inform, equip and build resilience with simple, memorable and practical ways that young children can look after their mental health. The children had an amazing time and the feedback was very positive.

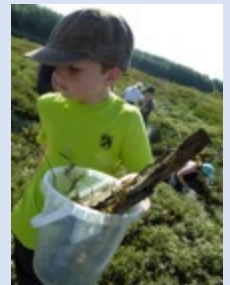

Over the last couple of weeks, we have been seeing greater numbers of children attending breakfast club, subsequently we now need people to start booking in for this facility as we ran out of food! Therefore, can you please let the office know or your child's teacher that they will be attending breakfast club by 3:30 the day before. This will enable us to ensure we have enough food and enough staff for the ratio of children.

If you have not booked in then unfortunately, we will not be able to accommodate you.

The children have really enjoyed attending Forest School and Estuary

School this week. They are learning so much about the outside environment and many aspects of nature. It is so lovely to have the opportunity to do this.

Dates for your Diary

20.9.2021	PGL Year 5 Year 3 Swimming	27.9.2021	Year 3 Swimming
21.9.2021	Year 5 PGL	28.9.2021	Year 2/3 trip to Hastings Secondary talk for Year 6
