

## October 2021 – Issue 2

Welcome to our fortnightly newsletter

If it's not the pandemic preventing us to come to school, it's the lack of petrol!! Thank you to everyone this week, including the staff who on occasions quite literally chugged their way to school on none, or little petrol! Mrs Phillips successfully filled up the minibus yesterday on her way back from Estuary School so thank you to Year 4 who waited patiently in the queue at the Asda for 10 minutes.... we can at least make swimming, Wingham and Estuary school again. It is always so disappointing to cancel events, but to cancel them through lack of fuel is a little crazy!

We are holding our PGL Assembly for Year 5 on FRIDAY OCTOBER 8TH at 9:30am. This is the first event since the pandemic began that we are inviting parents on site so we can allow two adults to join us per child in Year 5 and we will be socially distancing you from each other! We recommend the use of a mask but understand that this is at your discretion. Please join us in the hall from 9:30.

**What an amazing time Year 2 and 3 had, reenacting the Battle of Hastings. With Mrs PC on hand with her historical knowledge, and guidance from the Year 2/3 team the children truly had 'an epic time' as shared by one of the children. Who doesn't love a story where someone gets an arrow in the eye????**

We had the most amazing time at PGL last week. The children who joined us had waited such a long time for this event, as they were down to go on the 23<sup>rd</sup> March 2020 – the day we locked down. We had the most amazing time with an amazing group of children and we are looking forward to sharing our adventure with the Year 5 parents next week.

We are planning for next year now, so Year 4 parents I will send something to you shortly with more details.

## Dates for your Diary
